

1,000	<i>a / one thousand</i>
1,002	<i>a / one thousand and two</i>
1,600	<i>one thousand six hundred</i>
5,810	<i>five thousand eight hundred and ten</i>
10,702	<i>ten thousand seven hundred and two</i>
876,999	<i>eight hundred and seventy-six thousand, nine hundred and ninety-nine</i>
1,000,000	<i>a / one million</i>
15,000	<i>fifteen thousand</i>

- Vor **thousand** steht immer **a / one** oder eine Zahl!
- Einer- und Zehnerzahlen werden durch **and** an Hunderter- und Tausenderzahlen angeschlossen.
- Ab 1000 werden drei Stellen von rechts durch ein **Komma** abgetrennt, niemals durch einen Punkt!
- **hundred, thousand** and **million** haben bei genauen Zahlenangaben kein Plural-s!

- Beachte:
- *There were three hundred people at the party.*
= dreihundert Leute
 - *There were hundreds of people at the party.*
= Hunderte von Leuten
